The 170-room resort hotel features luxurious accommodations, unmatched ski-in, ski-out access to 3,000 acres of skiable terrain, and meticulous mountain concierge services from its on-site ski shop.

With services to accommodate most any visitor, the Ritz-Carlton offers three dining areas, a state-of-the-art spa and fitness center, heated swimming pools and supervised childrens' programs. An inter-mountain gondola connects resort guests to the nearby Village at Northstar, an alpine community centered on a year-round skating rink.

Recreation enthusiasts will also enjoy a ski and snowboard school just out the back door, specially groomed cross country and snowboarding trails, and many other winter activities, from snowshoeing and snowmobiling to sleigh rides and tubing.

Conveniently located just 45 minutes from Reno/Tahoe International Airport and 200 miles from San Francisco, the resort is only 10 minutes from crystal clear Lake Tahoe.
